27 FEBRUARY 2025 | VIRTUAL SESSIONS

### OVERVIEW AND PURPOSE

In today's dynamic business landscape, ESG is a strategic asset for building trust, driving innovation, and ensuring long-term resilience. Join our upcoming **Sustainability & ESG Workshop for Directors and Executives** and discover how to lead with purpose, achieving success that benefits society, the economy, and the environment.

This one-day Sustainability and ESG leadership programme will equip you with a comprehensive understanding of the **Environmental, Social and Governance (ESG)** arena, giving you the necessary tools and techniques to confidently navigate the complexities of overseeing the development and implementation of a robust ESG strategy.

## **FACULTY - EXPERT FACILITATOR**

### **Dr Peter Tobin**

Peter is the Lead Consultant and Expert Trainer at Lehaha Institute focusing on ESG, Corporate Governance, Risk Management, Strategy, IT Governance & Management, Monitoring & Evaluation, and Project Management. He has over 35 years of business and management experience across various industries and in a wide range of roles.

Peter has delivered more than 200 Corporate Governance, ESG and IT Governance workshops for a diverse clientele including banks, insurance houses, pension funds, state-owned companies, municipalities, government agencies, authorities and national departments. These workshops are regularly held in South Africa, Botswana, Tanzania, DRC, Zimbabwe, Germany, Dubai, Lesotho, Zambia, Mauritius, Namibia and Nigeria.

During over two decades of management consulting, Peter has offered a range of services based on world-class methods, tools, frameworks and standards, to assist individuals, teams and organisations to improve their performance in a number of selected focus areas, including (but not limited to) ESG, Corporate & IT Governance, Risk Management, Monitoring & Evaluation, Project Management, and Knowledge Management. He has also facilitated strategy development and implementation sessions for a number of companies.

Peter was a Senior Lecturer at one of South Africa's leading business schools, GIBS (Gordon Institute of Business Science) over a period of twelve years. During that term he delivered several Executive Education programmes for middle management to senior executive level, including lecturing for 12 consecutive years on the GIBS MBA programme.

Dr Tobin is a graduate of four universities, gaining his first degree at the University of York (England), following this with a Postgraduate Diploma in Management Studies at the University of East London (England). He also holds the prestigious MBA awarded by Henley Business School (part of Reading University, England), graduating top of his

class. He later completed his Doctorate in the field of Knowledge Management at the University of Pretoria.

Peter is also a Certified Project Manager PMP® with the US-based Project Management Institute and achieved the UK sourced PRINCE2® Practitioner qualification in 2004. He is one of the very few practitioners in South Africa to hold concurrently the Professional Grade Membership of the Institute of Information Technology Professionals South Africa (PMIITPSA) and Project Management South Africa. He is also an active member of the South African chapter of ISACA (the professional body for those interested in all aspects of IT Governance) and holds the ISACA 'Certified in the Governance of Enterprise IT' (CGEIT) Professional Certification.
